

Redford Civic Symphony, Inc.

54th Season 2009-2010

Conductor and Music Director
Mr. Douglas MacQueen

Founder
Mr. John Gajec

The Redford Civic Symphony is pleased to announce the start of our 54th season serving the Redford and surrounding communities with free live concerts. Try to imagine how innovative the founders of our orchestra were. It was their goal to establish a community orchestra in a region where no such organization existed. We honor the legacy of founding music director Mr. John Gajec. Your contributions will insure the orchestra's continuing success into the future. We have an exciting season planned for your listening enjoyment. Over the past 54 seasons, the generosity of our individual and corporate sponsors has enabled the orchestra to continue to provide free concerts to the community.

Operating Costs

Our operating costs include payroll for professional musicians, music rentals and purchases, instrument repair, costs to cover the fees of performing copyrighted music, liability insurance, advertising and printing. Our goal is to raise \$12,000 annually.

How you can help

There are many ways you can contribute to our success. We rely on the generosity of our private and corporate benefactors. Unless directed otherwise, we will acknowledge your contributions in our concert programs. We will be happy to identify our corporate sponsors and encourage our concert-goers to patronize your places of business. If a lump sum contribution is not possible, we would be happy to receive your contributions through installments of your choosing.

Chair Sponsorship/Co-Sponsorship

If you would be interested in sponsoring an orchestra chair (\$150), your name/organization will be listed under that player's name for the entire season.

Concert Co-Sponsor

Our concerts can be funded by individuals and corporate groups who each contribute a portion of the concert's funding level. The cost of producing one concert is approximately \$2,000.
